

K9 PRODUCTS

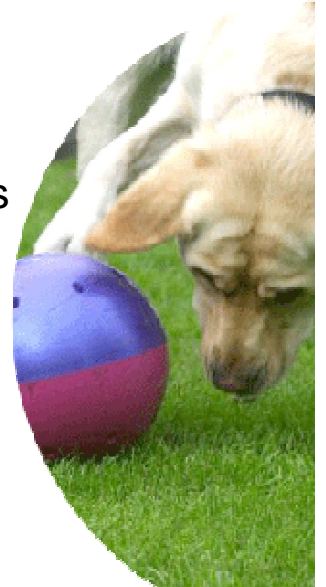

K9 Snak-a-Ball

Make feeding time fun with the new K9 Snak-a-Ball. Designed to be used in conjunction with dry dog feed, this durable ball will help to increase the amount of time your dog spends eating without increasing the amount of feed.

Ideal for overweight dogs or those that never seem to get enough of playtime!

"The most robust products of their type, providing much needed mental stimulation for pet dogs."

(Vivian Silverstein DipCABT)

K9 Wob-Ball

Treat your dog to a challenging toy and a tasty reward with the K9 Wob-Ball.

Use in conjunction with the delicious K9 Wob-Ball Refill to provide endless fun and mental stimulation. Gravity pulls the refill to the floor making your dog work for his/her reward.

Please note: *Refills sold separately*

K9 Wob-Ball Refill

A tasty chocolate flavoured treat to be used only in conjunction with the K9 Wob-Ball.

- **Contains no Theobromine**
