

## Likit GRANOLA

A long-lasting lick, jam-packed with tasty grains including; maize, wheat, barley and oats.

Available in a variety of flavours and in two sizes;

500g lick designed to fit the Likit Holder and Boredom Breaker plus a 1.6kg Stall Ball, perfect for use home or away.

### STALL-BALL

No toy required! Simply hang freely in the stall (rope not included).

## GRANOLO

LOW SUGAR & LOW STARCH GRANOLA

With just 3% sugar and 3.5% starch, the Likit GranoLo range is perfect for horses watching their waistlines.

Diets don't need to be boring!

## Likit Refills

Our tasty refills are designed to be used in conjunction with the Likit Holder or Boredom Breaker to encourage your horse to play. Available in a variety of flavours.

### Little Likit Refills

Designed for use in the Boredom Breaker, Tongue Twister and Boredom Buster but also useful as a hand-fed distraction aid, our Little Likits are a great way to keep your horse or pony entertained.

### Likit Treat Bar

Shaped like a candy bar and packed in a handy re-sealable pack, the Likit Treat Bar is the perfect pocket-sized reward.

Ideal for use before exercise to help stimulate saliva production.

### Likit Snaks

Tasty, crunchy, low sugar nibbles designed to fit the Snak-a-Ball or be fed by hand as a reward or training aid.

Containing no artificial colours or flavours. Available in a handy 100g size or re-sealable 500g pack, in a variety of tasty flavours.

# Likit™ Seriously Fun!

## Ready for the Challenge?

Each of the toys in the Likit Challenge System are graded based on their level of difficulty, read on to help choose the perfect enrichment toy for your horse.

Easy

Offering a gentle introduction to the world of Likit, our easy level toys are perfect for new users or less food motivated horses.

Medium

Keep horses thinking and engaged for longer. Designed to require more interaction and coordination than the basic toys, whilst remaining achievable and rewarding.

Difficult

Ideal for experienced Likit users or horses highly motivated by food. Offering the greatest challenge, demanding focus and coordination to access rewards while keeping curious horses occupied and mentally stimulated.

Easy

## Likit Holder

The easiest way to start using Likits.

As the horse licks, the holder will move, making them work harder for their reward.

Hang in the stable freely, away from any walls.

Available in a wide variety of colours, complete with a matching rope.

Use with:

## Likit Graze Maze

A slow feeding lick mat designed for horses.

Perfect for extending feeding time or as a distraction aid.

Use with any wet feed, mashed fruit and vegetables and/or with our tasty Likit Graze Paste.

Use with:

Medium

## Tongue Twister

Fix to the wall or fence.

Ideal for less adventurous horses or where space is limited.

As your horse licks, the ball will spin, ensuring they work for their reward.

Try using a different flavour on each side or just one Little Likit to increase the challenge.

Use with:

## Snak-a-Ball

A must-have for any horse owner that not only helps provide mental stimulation but also encourages trickle feeding and foraging, beneficial to the digestive system.

Can be used in the stable or paddock.

Simply fill with a portion of your horse's daily ration of dry feed or our Likit Snaks and as the ball rolls, the feed will trickle out, prolonging feeding time.

Use with:

Difficult

## Boredom Buster

Our most challenging toy yet.

This compact toy will spin and swing as your horse licks, providing hours of mental stimulation.

Hang freely in the stable, well away from walls.

Can be connected to the Likit holder using the clip provided for an instant upgrade.

Use with:

## Boredom Breaker

The original and best Boredom Breaker on the market.

A combination toy that includes a Likit Holder and a robust ball with inserts for two Little Likits.

Hang freely in the stable, well away from walls.

Provides hours of challenging fun for your horse or pony.

Use with:
